A. Introduction

The State of Texas by and through the Texas Health and Human Services Commission (HHSC) on behalf of the Texas Civil Commitment Office (TCCO), formerly known as the Office of Violent Sex Offender Management (OVSOM) announces this notice of Open Enrollment (OE) to provide clinical examinations for civilly committed sex offenders.

TCCO will utilize a rotation schedule to select OE clinical examiners. A TCCO client identified as requiring a clinical examination will be referred to an approved OE clinical examiner based on the following:

1. Geographic proximity to the client’s residence
2. Examiners’ availability
3. Examiner’s last exam date with the client
4. Past Contractor performance

This OE contains standardized requirements that all applicants must meet to be considered for contracts under this OE. Failure to comply with these requirements will result in disqualification of the applicant without further consideration. Each applicant is solely responsible for the preparation and submission of an enrollment application in accordance with instructions contained in the OE.

The enrollment period begins upon execution, and will remain open through August 31, 2020. TCCO may, at its sole discretion, extend the closing date of this OE. As stated in Section II, the TCCO may also, at its sole discretion, withdraw this OE before the stated date the enrollment period ends.

If web links in this document do not open, copy and paste them into your internet browser window.

Sexually Violent Predator (SVP) – is a repeat sexually violent offender that suffers from a behavioral abnormality which makes it likely that he/she would engage in repeated predatory acts of sexual violence.

Special Examination – Expert examination that focuses on specific factors as identified by the TCCO. This type of examination shall be requested by TCCO when a clinical examination is needed to address a specific need that does not meet the criteria set for any of the other types of examinations.

Special Provisions – Modifications and additions to the General Provisions for a funded program activity; which are usually customized for TCCO’s requirements and contain provisions specific to the contract.

Statement of Work – A part of the contract that describes the services and/or goods to be delivered by the TCCO Contractor specifying the type, level and quality of service, that directly relate to program objectives.

Subcontractor – A written agreement between the Contractor and a third party to provide all or a specified part of the services, goods, work, and materials required in the original contract. The Contractor remains entirely responsible to the TCCO for performance of all requirements of the contract with the TCCO. The Contractor must closely monitor the subcontractor’s performance. Subcontracting can be done only when approved by TCCO.

Supplemental Report – A report to be completed upon request to provide targeted information and a recommendation regarding a specific area of the client’s life, condition, behavior and/or need. program. Under a vendor contract, the vendor will have few if any administrative requirements. (For example, a vendor might be required only to submit a summary report of services delivered and an invoice.) A vendor generally will deliver services to TCCO-funded clients in the same manner the vendor would deliver those services to its non-TCCO funded clients.

A vendor Contractor generally has most of the following characteristics: a) provides goods and services within normal business operations, b) provides similar goods and services to many different purchasers, c) operates in a competitive environment, d) is not subject to compliance requirements of the federal or state program, e) provides goods and services that are ancillary to the operation of the program. It consists of a ten-digit identification number (IRS number, state agency number, or social security number) + check digit + 3 digit mail code. If a contract has been fully executed and these circumstances arise, the provisions of the Termination Article in the contract will apply.

Issuance of this OE in no way constitutes a commitment by the TCCO or the State of Texas to execute a contract or to pay any costs incurred by any provider who may submit an enrollment application.

III. FUNDING AND TERM

A. Use of Funds

Contingency contracts will be awarded for the purpose specifically defined in the OE. TCCO will review applications in the order in which they are received. TCCO does not guarantee a minimum amount to be paid to a Contractor pursuant to a contingency contract awarded through this OE.
Contracts will be determined without regard to whether or not contractors have previously had a contract with the TCCO under this program.

B. Term of Contract

Contingency contracts awarded under this OE will begin on the date of execution through August 31, 2020. TCCO may, at its sole discretion, renew a contingency contract after the initial term. Contracts may be renewed up to four additional one-year period contract terms.

Renewal is contingent upon the availability of funds and the satisfactory performance of the Contractor during the prior contract period.

Written notice may be sent by any method, which provides verification of receipt, and the thirty (30) days will be calculated from the date of receipt. This Contract may be terminated for cause by either Party for breach or failure to perform an essential requirement of the Contract.

By entering into this Contract, the State does not waive its right of sovereign immunity, nor does Contractor waive any immunity that
may extend to it by operation of law. The aforementioned indemnification shall not be affected by a claim that negligence of the State or its respective agents, Contractors, employees, or licensees contributed in part to the loss or damage indemnified against.

Additionally, the Contractor shall submit for TCCO’s approval the Contractor’s corrective action plan to ensure full compliance with the terms hereof.

Authority to Audit

Contractor understands that acceptance of funds under this Contract acts as acceptance of the authority of the State Auditor’s Office, or any successor agency, to conduct an audit or investigation in connection with those funds. The Contractor further agrees to cooperate fully with the State Auditor’s Office or its successor in the conduct of the audit or investigation, including providing all records requested.

Contractor shall ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through the Contractor and the requirement to cooperate is included in any subcontract it awards.

Contractor shall reimburse the State of Texas for all costs associated with enforcing this provision.

Fraud, Waste or Abuse

In accordance with Chapter 321, Texas Government Code, the State Auditor’s Office is authorized to investigate specific acts or allegations of impropriety, malfeasance, or nonfeasance in the obligation, expenditure, receipt or use of state funds.

If there is reasonable cause to believe that fraud, waste, or abuse has occurred at this agency, it can be reported to the SAO by calling 1-800-892-8348 or at the SAO’s website: http://www.sao.state.tx.us/.

**Certification Concerning Hurricane Relief**

Sections 2155.006 and 2261.053, Texas Government Code, prohibit state agencies from awarding a contract to any person who, in the past five years, has been convicted of violating a federal law or assessed a penalty in connection with a contract involving relief for Hurricane Rita, Hurricane Katrina, or any other disaster as defined by Section 418.004, Texas Government Code, occurring after September 24, 2005. Under Section 2155.006, Texas Government Code, Contractor certifies that the individual or business entity named in this Contract is not ineligible and acknowledges that the Contract may be terminated and payment withheld if this certification is inaccurate.

**Confidentiality and Public Information Act**

Notwithstanding any provisions of this Contract to the contrary, Contractor understands that TCCO will comply with the Texas Public Information Act, Texas Government Code, Chapter 552 as interpreted by judicial opinions and opinions of the Attorney General of the State of Texas. TCCO agrees to notify Contractor in writing within a reasonable time from receipt of a request for information related to Contractor's work under this Contract. Contractor will cooperate with TCCO in the production of documents responsive to the request. TCCO will make a determination whether to submit a Public Information Act Opinion request to the Attorney General. Contractor will notify TCCO General Counsel within twenty-four (24) hours of receipt of any third party requests for information that were provided by the State of Texas for use in performing this Contract. The Contract and all data and other information generated or otherwise obtained in its performance may be subject to the Texas Public Information Act. Contractor agrees to maintain the confidentiality of information received from the State of Texas during the performance of this Contract, including information which discloses confidential personal information, particularly, but not limited to social security numbers.

**Dispute Resolution**

The dispute resolution process provided for in Texas Government Code, Chapter 2260 shall be used by TCCO and Contractor to resolve any dispute arising under the Contract.

The dispute resolution process provided for in Chapter 2260 shall be used, as further described herein, to attempt to resolve a claim for breach asserted by Contractor. If the Contractor’s claim for breach cannot be resolved by the parties in the ordinary course of business, it shall be submitted to the negotiation process provided in Chapter 2260. To
initiate the process, Contractor shall submit written notice, as required by Chapter 2260 to the Deputy Comptroller or his or her designee. The notice shall also be given to the individual identified in the Contract for receipt of notices. Compliance by the Contractor with Chapter 2260 is a condition precedent for the filing of a contested case proceeding under Chapter 2260.

The contested case process provided in Chapter 2260 is the Contractor's sole and exclusive process for seeking a remedy for an alleged breach by the TCCO if the parties are unable to resolve their disputes as described above.

Compliance with the contested case process provided in Chapter 2260 is a condition precedent to seeking consent to sue from the Legislature under Chapter 107, Civil Practice and Remedies Code. Neither the execution of this Contract by the TCCO nor any other conduct of any representative of the TCCO relating to the Contract shall be considered a waiver of sovereign immunity to suit.

For all other specific breach claims or disputes under the Contract, the TCCO and the Contractor shall first attempt to resolve them through direct discussions in a spirit of mutual cooperation. If the parties' attempts to resolve their disagreements through negotiations fail, the dispute will be mediated by a mutually acceptable third party to be chosen by the TCCO and the Contractor within fifteen (15) days after written notice by one of them demanding mediation under this Section. Contractor shall pay all costs of the mediation unless the TCCO in its sole good faith discretion approves its payment of all or part of such costs. By mutual agreement, the TCCO and the Contractor may use a non-binding form of dispute resolution other than mediation. The purpose of this section is to reasonably ensure that the TCCO and the Contractor shall, in good faith, utilize mediation or another non-binding dispute resolution process before pursuing litigation. The TCCO participation in or, or the results of, any mediation or other non-binding dispute resolution process under this Section or the provisions of this Section shall not be construed as a waiver by the TCCO of 1) any rights, privileges, defenses, remedies or immunities available to the TCCO as an agency of the State of Texas or otherwise available to the TCCO; 2) the TCCO termination rights; or 3) other termination provisions or expiration dates of the Contract.

Notwithstanding any other provision of the Contract to the contrary, unless otherwise requested or approved in writing by the TCCO the Contractor shall continue performance and shall not be excused from performance during the period of any breach of contract claim or dispute is pending under either of the above processes; however, the Contractor may suspend performance during the pendency of such claim or dispute if the Contractor has complied with all provisions of Section 2251.051, Texas Government Code, and such suspension of performance is expressly applicable and authorized under that law.

**Force Majeure**
