I. INTRODUCTION AND DEFINITIONS

A. Introduction

The State of Texas by and through the Texas Civil Commitment Office (TCCO) with the administrative support of Texas Health and Human Services Commission (HHSC), announces this notice of Open Enrollment (OE) to provide sex offender treatment services for civilly committed sex offenders.

The TCCO Clients are sex offenders that have been civilly committed pursuant to the Texas Health and Safety Code, Title 11, Chapter 841. The Clients have been adjudicated to be sexually violent predators (SVPs) that suffer from a behavioral abnormality which makes it likely that the client would engage in repeated predatory acts of sexual violence. The clients have a history of at least two convictions for a sexually violent offense and have been released from prison to the TCCO’s supervision and treatment.

TCCO requires a Licensed Sex Offender Treatment Provider (LSOTP) or Affiliate Sex Offender Treatment Provider (ASOTP) to conduct Sex Offender Treatment Services (hereinafter referred to as Services) for Clients. The Services include the following Sex Offender Treatment Services: Assessments, Assessment Updates, Individual Therapy, Group Therapy, Staffings, Court Appearances, Affidavits, Penile Plethysmographs (PPG), family sessions and chaperone training. During the course of treatment services and upon completion of sex offender treatment services, the Contractor shall be available to provide expert testimony in court as needed.

TCCO will utilize a rotation schedule to refer clients to Contractor Sex Offender Treatment Providers. A TCCO client identified as requiring sex offender treatment services will be referred to an approved Contractor based on the following:

1. Contractor availability
2. Experience as a sex offender Treatment Provider
3. Past Contractor performance

Additionally, the Contractor shall submit for TCCO’s approval the Treatment Provider’s corrective action plan to ensure full compliance with the terms hereof.

Contractor understands that acceptance of funds under this Contract acts as acceptance of the authority of the State Auditor’s Office, or any successor agency, to conduct an audit or investigation in connection with those funds. The Contractor further agrees to cooperate fully with the State Auditor’s Office or its successor in the conduct of the audit or investigation, including providing all records requested.

Contractor shall ensure that this clause concerning the authority to audit funds received indirectly by Subcontractor through the Contractor and the requirement to cooperate is included in any subcontract it awards.

Contractor shall reimburse the State of Texas for all costs associated with enforcing this provision.
**Fraud, Waste or Abuse**

In accordance with Chapter 321, Texas Government Code, the State Auditor’s Office is authorized to investigate specific acts or allegations of impropriety, malfeasance, or nonfeasance in the obligation, expenditure, receipt or use of state funds.

If there is reasonable cause to believe that fraud, waste, or abuse has occurred at this agency, it can be reported to the SAO by calling 1-800-892-8348 or at the SAO’s website: [http://www.sao.state.tx.us/](http://www.sao.state.tx.us/).

In accordance with Texas Government Code, Section 2155.4441, the State of Texas requires that during the performance of a contract for services, Contractor shall purchase products and materials produced in the State of Texas when available at a price and time comparable to products and materials produced outside the State.

**Certification Concerning Hurricane Relief**

Sections 2155.006 and 2261.053, Texas Government Code, prohibit state agencies from awarding a contract to any person who, in the past five years, has been convicted of violating a federal law or assessed a penalty in connection with a contract involving relief for Hurricane Rita, Hurricane Katrina, or any other disaster as defined by Section 418.004, Texas Government Code, occurring after September 24, 2005. Under Section 2155.006, Texas Government Code, Contractor certifies that the individual or business entity named in this Contract is not ineligible and acknowledges that the Contract may be terminated and payment withheld if this certification is inaccurate.

**Confidentiality and Public Information Act**

Notwithstanding any provisions of this Contract to the contrary, Contractor understands that TCCO will comply with the Texas Public Information Act, Texas Government Code, Chapter 552 as interpreted by judicial opinions and opinions of the Attorney General of the State of Texas. TCCO agrees to notify Contractor in writing within a reasonable time from receipt of a request for information related to Treatment Provider’s work under this Contract. Contractor will cooperate with TCCO in the production of documents responsive to the request. TCCO will make a determination whether to submit a Public Information Act Opinion request to the Attorney General. Contractor will notify TCCO General Counsel within twenty-four (24) hours of receipt of any third party requests for information that were provided by the State of Texas for use in performing this Contract. The Contract and all data and other information generated or otherwise obtained in its performance may be subject to the Texas Public Information Act. Contractor agrees to maintain the confidentiality of information received from the State of Texas during the
performance of this Contract, including information which discloses confidential personal information, particularly, but not limited to social security numbers.

**Dispute Resolution**

The dispute resolution process provided for in Texas Government Code, Chapter 2260 shall be used by TCCO and Contractor to resolve any dispute arising under the Contract.

The dispute resolution process provided for in Chapter 2260 shall be used, as further described herein, to attempt to resolve a claim for breach asserted by Treatment Provider. If the Treatment Provider’s claim for breach cannot be resolved by the parties in the ordinary course of business, it shall be submitted to the negotiation process provided in Chapter 2260. To initiate the process, Contractor shall submit written notice, as required by Chapter 2260 to the Deputy Comptroller or his or her designee. The notice shall also be given to the individual identified in the Contract for receipt of notices. Compliance by the Contractor with Chapter 2260 is a condition precedent for the filing of a contested case proceeding under Chapter 2260.

The contested case process provided in Chapter 2260 is the Treatment Provider’s sole and exclusive process for seeking a remedy for an alleged breach by the TCCO if the parties are unable to resolve their disputes as described above.

Compliance with the contested case process provided in Chapter 2260 is a condition precedent to seeking consent to sue from the Legislature under Chapter 107, Civil Practice and Remedies Code. Neither the execution of this Contract by the TCCO nor any other conduct of any representative of the TCCO relating to the Contract shall be considered a waiver of sovereign immunity to suit.

For all other specific breach claims or disputes under the Contract, the TCCO and the Contractor shall first attempt to resolve them through direct discussions in a spirit of mutual cooperation. If the parties’ attempts to resolve their disagreements through negotiations fail, the dispute will be mediated by a mutually acceptable third party to be chosen by the TCCO and the Contractor within fifteen (15) days after written notice by one of them demanding mediation under this Section. Contractor shall pay all costs of the mediation unless the TCCO in its sole good faith discretion approves its payment of all or part of such costs. By mutual agreement, the TCCO and the Contractor may use a non-binding form of dispute resolution other than mediation. The purpose of this section is to reasonably ensure that the TCCO and the Contractor shall, in good faith, utilize mediation or another non-binding dispute resolution process before pursuing litigation. The TCCO participation in or, or the results of, any mediation or other non-binding dispute resolution process under this Section or the provisions of this Section shall not be construed as a waiver by the TCCO of 1) any rights, privileges, defenses, remedies or immunities available to the TCCO as an agency of the State of Texas or otherwise available to the TCCO; 2) the TCCO termination rights; or 3) other termination provisions or expiration dates of the Contract.
Notwithstanding any other provision of the Contract to the contrary, unless otherwise requested or approved in writing by the TCCO the Contractor shall continue performance and shall not be excused from performance during the period of any breach of contract claim or dispute is pending under either of the above processes; however, the Contractor may suspend performance during the pendency of such claim or dispute if the Contractor has complied with all provisions of Section 2251.051, Texas Government Code, and such suspension of performance is expressly applicable and authorized under that law.

**Force Majeure**

Neither Contractor nor TCCO shall be liable to the other from any delay in, or failure or performance, of any requirement resulting from this Contract caused by force majeure. The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed provided the non-performing party exercises all reasonable due diligence to perform.

Force majeure is defined as acts of God, war, fires, explosions, hurricanes, floods, failure of transportation, or other causes that are beyond the reasonable control of either party and that by exercise of due foresight such party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such party is unable to overcome. Each party must inform the other in writing, with proof of receipt, within three (3) business days of the existence of such force majeure or otherwise waive this right as a defense.
